OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 950 --- Enc. 2 61

Bangalore, 20th July *1914.*

From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of ~~xxxx~~ Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

I have the honour to submit herewith the register of applications (to be obligingly returned when done with) for the Medical scholarships of this year, together with a copy of this office Notification D. No.63 dated 19th June 1914 inviting applications for the same, and to state that as the course leading to the L.M.& S. Degree Examination of the Madras University has recently been altered so as to extend over a period of five years, in uniformity with other Medical courses, the Medical scholarships of this year have, in anticipation of the kind approval of Government, been advertized as tenable for five years in each case.

2. Of the eleven applicants registered this year, seven are non-graduates and one (M. Ponnambalam, Reg. No.8) is a non-Mysorean. The selection has therefore to be made from among the remaining three graduates. Of these M.P.Samba Murthy (No.9) is a fresh candidate, having secured admission into the Madras Medical College this year, and I therefore recommend him for one of the scholarships advertized for the current official year. The remaining two graduates are old students of the Medical Colleges in their 2nd year course, one of whom, viz.,

2

viz., M. Hiriyanna, (No.10) has not been recommended he having failed in the last University Examination. I therefore recommend the other, viz., B. Rangaswami (Reg: No.4) for the second scholarship of this year. The Senior Surgeon was consulted in the matter and he informs me in his D.O. No.12 dated the 20th instant that ~~the~~ he is agreeable to ~~my~~ the selection made by me.

3. I have further to state that out of the ten candidates studying last year, three, viz., P. Shama Rao, Mathura Bai and Y.V. Krishna Murthy completed their course, a fourth, viz., B. Ramaswami Iyengar failed in the 2nd M.B. C.M Examination and has been recommended by the Principal of the Madras Medical College to give up the Medical profession altogether and a fifth, viz., K. Shamsudin Khan, who was awarded a scholarship last year, did not avail himself of it. The remaining five candidates are continuing their studies satisfactorily and their scholarships have been renewed this year. Including the two scholarships recommended afresh above, the total number of scholarships in force will be seven, or three less than the number fixed. I recommend that these three vacant scholarships may be awarded to some of the deserving Intermediate students ~~#~~ that have applied this year, and I accordingly propose the following names: (i) H. Shama Rao (No.1), who is ~~#~~ in the fourth M.B. & B.S., class of the Madras Medical College and is strongly recommended by the Senior Surgeon and the Principal of the College, (ii) R. Subba Rao (No.5) who is in the first year course of the Grant Medical College, Bombay and (iii) D. Hari Rao (No.6) an applicant for the M.B. & B.S., course of the Madras Medical College and who, I believe, has joined the Institution. He is the son of D. Jaya Rao, 1st class Sub-Assistant Surgeon in Mysore Service, and is strongly recommended by the Principal of the Central College, Bangalore. Though the rules for the award of Medical scholarships require that applicants should be graduates, yet in the absence of such men the rules may be relaxed to a certain

certain extent and the scholarships awarded to the above as special cases, till graduates come forward in larger numbers.

I have the honour to be

Sir,

Your most obedient servant,

Inspector General.

TNR.

EDUCATION DEPARTMENT

Notification D. No. 63, *dated* 19*th June* 1914.

ENGINEERING AND MEDICAL SCHOLARSHIPS.

1. Notice is hereby given that the Government of Mysore will award nine Engineering scholarships and two Medical scholarships this year.

2. *The Engineering scholarships* will be worth Rs. 30 a month, and will be tenable either at the Madras Engineering College or the College of Science, Poona, for a period of three years. They will be granted to such of the candidates as secure admission into the Colleges this year. Candidates must have passed the B. A. Degree Examination of the Madras University with Mathematics or Physical Science (II A) as an optional subject or an examination equivalent thereto. Subsistence and other suitable allowances will be granted during the practical course (of one year in the case of Civil Engineering students and two years for Mechanical Engineers) which will follow the theoretical course of Madras Engineering College. The period of training in the practical course will count as service qualifying for pension, provided the scholars are entertained in the Mysore Public Works Department, soon after they pass out from the College.

3. *The Medical scholarships* will be worth Rs. 25 a month, and will be tenable either at the Madras Medical College, or the Grant Medical College, Bombay, for a period of five years. Candidates must have passed the B. A. Examination.

4. All candidates must be natives of Mysore by birth or domicile. They should state their age, caste and father's or guardian's name and profession in their application.

5. Each candidate must attach to his application a medical certificate of physical fitness from any medical practitioner holding the diploma of L. M. & S. or the degree of M. B. & C. M. or a higher degree. After a candidate has been selected for a scholarship, he will have to produce a medical certificate of physical fitness from the Senior Surgeon with the Government of His Highness the Maharaja of Mysore. He will also be bound to enter into an agreement to serve the State for a period of at least five years after he passes out, should his services be required by the Mysore Government, or to refund the full amount of the scholarships drawn by him if he refuses to serve.

6. The continuance of scholarships will depend on favorable reports of conduct and progress received from the Principal of each College, and on passing the periodical examinations.

7. Applications with *copies* of College and other testimonials for the Engineering and Medical scholarships must be sent to the Inspector-General of Education in Mysore, before the 10th July 1914. Applications from students of Colleges should be sent through the Principals.

M. SHAMA RAO,
Inspector-General of Education.

READ—

Letter no. 950/61 & 20.7.14 from the D.P. of Edn. in Mysore submitting his proposals for the grant of medical scholarships for 1914.

Date of issue 13.10.14

Signed by Rur A.V.R

ORDER THEREON.—No. b 31-3 / Edn 13-14, Sanctioned

The two medical scholarships of the value of Rs 25 each pm are granted to the following candidates

1 M.P. Sambamurti, B.A.,

2. B. Rangaswami, B.A.

over

SUBJECT.

GPB—50,000—1-12-12

In the case of Sambramurti the schp.
will be tenable for five years in
the Madras Medical College and in the
case of Ranganwami for four years
in the Grant Medical Colly, Bombay
as he is reported to be in the second year's course.

The D.G. of Edn. states that including
these two schps. there will be in all seven
schps in force while the total no. of schps.
tenable at any time is ten, and recommends
the grant of the three vacant schps. to
H. Shama Rao, in the fourth year's class, Madras Med. Colle,
R. Subba Rao, in the first year's class, Grant Med. Coll., Bombay,
+ D. Hari Rao, in the first year's class, Madras Medical College.
who are not graduates, as a special case. The recommendation is sanctio
But as it is ~~considered~~ undesirable to grant lapsed scholarships for
more than ~~the prescribed~~ 4 years at a time, ~~this recommendation~~
~~is sanctioned;~~ these scholarships
~~after~~ will be tenable for one year
in the first instance, ~~subject to~~ renewed only
~~renewal~~ if vacancies continue to exist.
